Success ahead for those who save

J. J. Hill's Test:

"If you want to know whether you are destined to be a success or failure in life, you can easily find out. The test is simple, and it is infallible: Are you able to save money? If not, drop out; you will lose. You may think not, but you will lose as sure as you live: the seed of success is not in you."

—J. J. Hill.

SAVING money can be made a habit. Deposit weekly a part of your income in the *Traders Bank*. The same courteous attention is given to small savings accounts as to the largest depositor. Interest is paid on deposits of One Dollar and upwards.

(See over for branches in this district).

We appreciate your business.
